EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter J. Sistare (Reg. No. 48,183) on 6/4/09 in order to overcome an art rejection.

The application has been amended as follows:

Claims 12 and 14 have been cancelled.

The following is an examiner's statement of reasons for allowance:

With regards to claims 1, 11 and 13, the prior art of record alone or in combination fails to teach or fairly suggest wherein the pseudo recognition unit returns an absence signal representing an absence of media at least once, and then returns a presence signal representing a presence of the media in response to an inquiry signal inquiring a presence of media repeated via the universal peripheral device interface to allow the automatic script to be automatically executed by the computer. In combination with the other limitations found in the respective claims.

With regards to claims 3-6 and 9-10, due to their direct or indirect dependency from claim 1, they are allowed for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID E. MARTINEZ whose telephone number is (571)272-4152. The examiner can normally be reached on 8:30-5:00 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Alford Kindred can be reached on 571-272-4037. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
